**INSTRUCTIONS FOR COMPLETING
NONTRANSFER AND USE CERTIFICATE (DSP-83 FORM)**

Magma Engineering is required by the **U.S. DEPARTMENT OF STATE** to apply for an **EXPORT LICENSE** when exporting certain listed products. To obtain the **EXPORT LICENSE**, **Magma Engineering** must submit to the **U.S. DEPARTMENT OF STATE** a **DSP-83** Form and the signed Purchase Order and an original or certified Import Permit (if required), if not, then a statement on the Purchase Order indicating an Import Permit is not required.

Certain areas (Blocks) of the DSP-83 Form must be completed by the customer prior to **Magma Engineering** applying for the **EXPORT LICENSE**.

FAILURE TO PROVIDE THE REQUIRED INFORMATION TO THE U.S. DEPARTMENT OF STATE WILL RESULT IN EXTENSIVE DELAYS IN OBTAINING THE EXPORT LICENSE.

The customer (Buyer) must complete the following Blocks:

#3. NAME OF FOREIGN END-USER: Please indicate complete name and address.

#4. COUNTRY OF ULTIMATE DESTINATION.

#5. ARTICLES/DATA: Please indicate product **QUANTITY** and **VALUE**. In the Block under **ARTICLES/DATA DESCRIPTION**, please indicate the product being purchased. Please be specific. **Note** that you are under no obligation to buy the items you list. The license is valid for 48 months. It is in your best interest to list any and all items you may wish to purchase within 48 months so an additional DSP-5 (license) will not be required (which would require additional licensing fees.) Also note that any order under \$500 is considered exempt once a license is on record with **Magma Engineering**.

#6. CERTIFICATION OF FOREIGN CONSIGNEE: If the customer (Buyer) is the Foreign Consignee as well as the End-User, a Company Official Signature (in ink) is required in both Blocks #6 and #7 with the date and Company Seal (if applicable).

#7. CERTIFICATION OF FOREIGN END-USER: If the customer (Buyer) is the Foreign Consignee but not the Ultimate End-User, the Buyer's signature (in ink) is required in Block #6, dated and Company Seal (if applicable). The Ultimate End-User must then complete Block #7 with an Official signature, date, and Company Seal (if applicable).

After the appropriate Blocks are completed, please return the original **DSP-83** Form to **Magma Engineering**. Mail the original signed form to:

PO Box 161
Queen Creek AZ 85242-0161 USA
